How Long We Store Personal Data

User data will be stored for Eight Years.

You will be notified if your data is kept for longer than this period.

How We Protect Your Personal Data

In order to protect your security, we use the strongest available browser encryption and store all of our data on servers in secure facilities. All data is only accessible to our employees. Our employees are bound by strict confidentiality agreements and a breach of this agreement would result in the employee's termination.

We use our secure management information system, Safe Space CRM to hold information and documents about you.

While we take all reasonable precautions to ensure that user data is secure and that users are protected, there always remains the risk of harm. The Internet as a whole can be insecure at times and therefore we are unable to guarantee the security of user data beyond what is reasonably practical.

Your Rights as a User

Under the GDPR, you have the following rights:

1. Right to be informed;

2. Right of access;
3. Right to rectification;
4. Right to erasure;
5. Right to restrict processing;
6. Right to data portability; and
7. Right to object.

Children

We do not knowingly collect or use personal data from children under 16 years of age. If we learn that we have collected personal data from a child under 16 years of age, the personal data will be deleted as soon as possible. If a child under 16 years of age has provided us with personal data their parent or guardian may contact our data protection officer.

How to Access, Modify, Delete, or Challenge the Data Collected
